

Engine Oil

PETRONAS *Sprinta*

Viscosity: 10W-40

Industry Specifications: API SN JASO MA2

Application(s) - For Consumers pages: Motorcycle (4-stroke)

PETRONAS Sprinta F900 10W-40

Range: PETRONAS Sprinta F900

Long description: A fully-synthetic oil for high performance 4 stroke engines, formulated with environmentally friendly lubricant technology. Exceptional wear protection at start-up and effective lubrication under high temperatures, oil film and shear strength, high viscosity stability, enhanced engine performance and optimal fuel economy Prevents clutch slippage for high bike responsiveness Controls deposit build ups under high temperature maintaining bike power Exceptional oxidation resistance for extended drain intervals Also for bikes with catalytic converters with low sulphur and phosphorus formulation
